

GUIRAO NAHUEL

STUDENT / JUNIOR DEVELOPER

ABOUT ME

- 20 Years old (Born in February 17th, 2004).
- Currently living in Argentina, Buenos Aires.
- Self-taught, curious and a person who is always willing to learn are things that could describe me.
- In my free time I like to play basketball and learn new things.

WORK GOAL

I am looking for a workplace where I can apply my skills, adding value, while also being able to grow as a professional, learn new skills, and refine the ones I already have.

I believe I have a solid foundation to face the challenge, as I have 2 years of self-taught learning, plus 1 year working on personal projects, and some months working together on a freelance project. Additionally, I have a strong desire to learn and improve myself every day.

EXPERIENCE

BLUD APP | Marzo 2024 - Actualidad

Freelance project where I actively participate as a part-time frontend developer in collaboration with the design and backend teams for the construction of a web job application.

Some of my tasks include:

- Translating Figma designs into code.
- Creating responsive layouts for all devices.
- Managing the app state with React.
- Coordinating with the backend for authentication and other tasks.
- Ensuring timely and accurate deliveries.
